CAMEO & WEDGEWOOD

Our classic ballrooms each have a separate lobby area adjacent to the room with gorgeous, wooden, built-in bars. The Wedgewood provides space for a more intimate reception with guest accommodations of 85-140 people. The Cameo accommodates 150-250 guests with windows overlooking the golf course and allowing natural light into the room.

WATERFORD

Our most popular ballroom! The Waterford accommodates 125-200 guests and is located separately from our other ballrooms ensuring privacy for your event. Both the lobby and the ballroom have floor-to-ceiling windows, allowing you and your guests to enjoy panoramic views of the property. The two-tiered lobby, with a handicap-accessible ramp and outdoor balcony, is the perfect space for your cocktail hour.

GRAND BALLROOM

CRYSTAL, REGENCY & TIFFANY

Turf Valley's largest ballroom accommodates 350-600 guests.

The Grand Ballroom can be divided into smaller sections, which can accommodate 250-300 guests each. All three

sections have two glistening crystal chandeliers, a built-in bar, and the

Tiffany Room has splendid views of our grounds.
